Admiral Stansfield Turner
 Director of Central Intelligence
 Central Intelligence Agency
 Washington, D.C. 20505

Dear Admiral Turner:

I am an intern in Senator Jackson's office, and I just wanted to thank you personally for speaking before the assembled interns yesterday afternoon.

I have always had a great interest in the Central Intelligence Agency; as a result, the information you presented to us about the workings of the Agency was of great benefit to me.

I feel the speaking program set up by the Intern Committee provides a unique opportunity for young people to learn more about how their government works. So far, I have greatly enjoyed working as an intern, and I feel that the speakers provided by the Intern Committee have been a great part of that enjoyment.

Sincerely yours,

George S. Springsteen
