[Redacted] Talked with Mr. Pat Holt, Senate Foreign Relations Committee staff, concerning the briefing of the Subcommittee on American Republics Affairs scheduled for 3:30 Monday afternoon. I told Mr. Holt that I am now advised that the presentation by Mr. Robert Sayre, Deputy Assistant Secretary of State for Latin American Affairs, and the presentation by Mr. R. Jack Smith, our DD/I, will be separate and noted that they are both scheduled for appearance for 3:30. Mr. Holt advised that it is the Chairman's desire that each be present while the other is testifying.

I also confirmed with Mr. Holt, the security arrangements for Monday. We will provide a physical check of the room in advance of the hearing but will not monitor the hearing itself or provide anyone for the door.
