25X1A

6 November 1956

MEMORANDUM FOR: Assistant Director, OCR
FROM: Assistant Director for Basic Intelligence
SUBJECT: Release of NIS to the [Redacted]

25X1A

1. In implementation of a decision by the Intelligence Advisory Committee on 6 November 1956, you are authorized to release to [Redacted] three copies of each of the published NIS elements listed in the attachment hereto.

25X1A

25X1A

2. The immediate release of these NIS elements required by the IAC decision precludes the removal of the subsection entitled "Comments on Principal Sources" from certain of the sections, and also makes infeasible the modification of the control statement printed on each of these elements. Accordingly, it is requested that:

a. These NIS elements be released to [Redacted] without deletion of any of the comments.

25X1A

b. The letter of transmittal accompanying these NIS elements contains an appropriate statement indicating that the control statement appearing on each of these elements is waived with respect to [Redacted]

25X1A

3. It is further requested that you cause each shipment of the NIS elements listed in the attachment hereto to be accompanied by the following statement:

"This intelligence is released to the [Redacted] Government subject to the following conditions:

25X1A

1. The [Redacted] Government will not release this intelligence to a third government without specific approval by the United States Government.
