SUPPLEMENT TO REPORT NO. [REDACTED]

Attached for your information and retention is a copy of Siejtel (or Seyatel--The Sower), a Russian language anti-Communist monthly published in Buenos Aires.* The periodical is currently being published by N. Cholovsky, a White Russian, and not by Vladimir Schapkin as previously reported. Cholovsky, approximately 55 years of age and a tailor by profession, formerly served as an officer in General Vlassov's army. The publication exerts little influence in the Slav colony in Argentina. This colony considers the quality of its content to be mediocre.
