50X1-HUM

Organization of the Czechoslovak Army on May 1st 1950.

The chief of the General Staff, General of the Army DUKAC has been relieved of his duties during the first week of May and replaced by General of Army Corps (Sborovy general) Jaroslav PROCHAZKA.

Order of battle of the Czechoslovak army, - May 2nd 1950

A. FORMATION COMMANDS:

1. Zone Prague: I. A.C. KARLOVY VARY 12. I.D. LIPOMERICE
13 I. Brig. KARLOVE VARY
A.C.
II. TAFAR (or PISEK) 14. I.D. PISEK (moved from ~~Stada~~ ~~Boleslav~~
(Moved from Hradec Kralova)
III. A.C. PIZEN 11. I.D. PIZEN
1. I.D. CENKE BUDEJOVICE
2. Mountain Brig. SUSICE (moved from
BANSEA BYSTRICA)
2. (Zone abolished)
3. Zone BRNO: IV. A.C. BRNO 6. I.D. BRNO
7. I. Brig. NOVI JICIN
4. Zone BRATISLAVA: V. A.C. 9. I.D. NITRA
10. I.D. KOSICE

General Headquarters Formations:

- Tank-Corps OLOMOUC
3. Motorised Division, KROMERIZ
4. Motorised Division, ZILINA
5. Motorised Division, PRAHA
8. Motorised Division, KOLIN

It appears from reports that only the 1st Zone (or District) Command is an operational (tactical) command with I, II and III. A.C. The 2nd Zone command has been abolished along time ago. The 3rd and 4th Zones commands have administrative duties only. This, of course, applies only to peace-time. In case of mobilisation Zone commands mobilise Army Headquarters, A.C. Headquarters - which are in peace-time only skeleton H.Q.-s, - take war-establishments, and each division and Brigade mobilise another formation of its kind.

The Order of Battle of the 1st Zone (District - "Oblast") command appears to be not in its final stages. But it is a fact that almost all formations from Bohemia and the 2nd Mountain Brigade from Slovakia have been concentrated towards the Western frontiers of Bohemia. The 1st A.C. has one Division on the first line (13th I. Brigade is on divisional level in the Czechoslovak Army.)

The IIIrd A.C. will in the final stages have two Divisions in the first line (11 I.D. and 2nd Mountain Brigade)

The IIrd A.C. will, in the final stages, have two divisions in first line (14. I.D. and 1 I.D.)

CONTROL

SECRET

U.S. OFFICIALS ONLY

We presume that in view of the present state of equipment the strategic tasks of the first-line Formations of the Czechoslovak Army could be: defence of the Bohemian bastion, to cover mobilization and deployment of the Soviet Army.

It is known from personal experience [redacted] that the plan which has so far been carried out has been based upon the initiative of General K. KLAPALEK, (GOC 1st Zone Command) in 1947/48.

One change in the Order of Battle appears significant: ALL armoured and motorised formations are technically subordinated directly to the General Headquarters. In 1948 only the Tank-Corps, the 5th Motorised and Artillery Division were GHQ. Formations. At present, however, according to the above report the following are GHQ formations:

50X1-HUM

- Tank Corps OLOMOUC
- 3rd Motorised Division KROMERIZ
- 4th Motorised Division ZILINA
- 5th Motorised Division PRAHA
- 8th Motorised Division KOLIN
- Artillery Division KOLIN
