the total personnel assigned to the various services of the sanatorium.

Hospitalization procedure

Following an examination to diagnose his ailment, the patient reports to secretarial office of the "GRASKI NARODNI ODBOR" (People's Civic Committee).

50X1-HUM

After ascertaining the patient's financial status,

**U. S. OFFICIALS ONLY****SECRET**

**SECRET****U. S. OFFICIALS ONLY**

SECURITY INFORMATION

this office issues him a permit for entry into the hospital.

Clothing and bedding issued to the patients:

- 1 pair of pajamas (often in poor condition)
- 2 pair of linen underwear (of various colors)
- sweaters and shirts (issued only to a few patients because there is a shortage of these items)
- slippers (in poor condition)
- 1 blanket (in good condition)

**U. S. OFFICIALS ONLY****SECRET**

**SECRET****U. S. OFFICIALS ONLY****SECURITY INFORMATION**

(These are UNRRA blankets received in 1947 and never since replaced)

- 2 sheets of coarse linen (in poor condition)

### Treatment

The doctors are very courteous and dedicated to the care of the patients.

On the other hand, the nurses do not carry out their duties well and neglect the patients.

### Food

Badly prepared; several items

**U. S. OFFICIALS ONLY****SECRET**

**U.S. OFFICIALS ONLY**

**SECURITY INFORMATION**

are deficient both as to quantity and quality.

- bread is woefully insufficient
- macaroni is of poor quality
- meat is served 3 times a week
- butter, fruit, and wine are not served
- eggs are served only to patients who are seriously ill.

Patients are allowed to receive food from home, but no alcoholic beverages.

### Recreation

Motion pictures are shown
