PUBLICATION OF ZEISS VEB OPTICAL WORKS, JENA (3 pamphlets - 40 pp; German; dated February

1952

This document consists of three issues of "Der Scheinwerfer", a publication for the employees of the Carl Zeiss VEB (People-Owned) Optical Works, in Jena, which is published by the plant chapter of the SED (Socialist Unity Party). Two of the issues are dated 15 February and 28 February 1952, and the third is a special, undated issue.

25X1
25X1

These issues include articles on Party activities, plant cultural, social, and athletic activities, workers' vacation centers, plant technical-training school, plant security and safety measures.
