

MALACAÑAN PALACE

M E S S A G E

In a world wrought up by confusion, the anguish of old wounds and the threats of new wars, the need of carrying across the message of hope, faith and love is greater than ever if peace is to be more than an uneasy interval between outbreaks of hate and bloody violence.

I am glad the Far Eastern Broadcasting Company is operating Station DZAS in the Philippines in response to that great need. Its work of spreading and stressing that challenge to universal brotherhood and cooperation merits support everywhere.

OFFICE OF THE SECRETARY

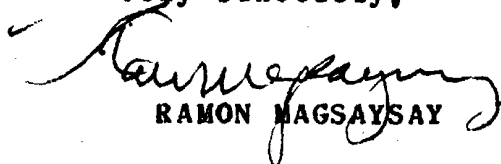

Dear Mr. Atienza:

I wish to express my personal gratitude and appreciation to you for your untiring effort and cooperation in the prosecution of the government's peace and order campaign, and for the unstinted faith and loyalty you have given the Armed Forces and me in this regard.

As Station Manager of DZAS, Far East Broadcasting Company, you have displayed a rare spirit of service and patriotism especially in our anti-dissident drive. Without the faith and cooperation such as yours and your staff, our successes in the peace and order campaign would not have been possible.

Thanking you again and hoping that we may both be given a chance to continue serving our country, I remain

Very sincerely,

RAMON MAGSAYSAY
