Copy 2 of 3

"a. It is requested that you obtain a joint U. S. appreciation of the potentialities and limitations of resistance elements within the Soviet satellite states and western USSR. This appreciation should be as detailed as available intelligence permits. It should include as much information as possible concerning the general locations, approximate strengths, political orientations and probable current capabilities for special operations in support of the Allied military effort in the event of hostilities.

"b. In the interest of expediency this appreciation can be sent to SHAPE on a noform basis initially, but it is requested that an appreciation which can be tabled at SHAPE be forwarded to this headquarters as soon as practicable."
