MEMORANDUM FOR: Deputy Director for Plans
SUBJECT : CS Historical Program
REFERENCE : ADDP Memo to Division and
Staff Chiefs, dated 16 Mar 71

1. While some components have not yet responded to Reference memorandum, responses to date generally reflect an accelerated effort. Some will meet the 31 December deadline. Those who are doubtful about finishing the program in 1971 are confident that they will be able to do so in early 1972.

2. I will forward a summary when returns are reasonably complete but thought you should be advised of the above in advance of your next staff meeting, in case the subject arises.
