MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Quarterly Report of Historical Staff

25X1A9a

Overt Directorates: While PPB has been reviewing the proposed project, [redacted] has been exploring the program with the directorates, most thoroughly with DDI. He has encountered no reluctance to participate but one query as to the authority for the program. We shall in due course propose an official Notice by way of authority.

Clandestine Services: DDP continues to increase support for the program. The five members of this Staff devoted to CS history have in effect been augmented by the allocation of a secretary/research assistant position to the CS Historical Board. DDP space in the headquarters building has been found to accommodate this secretary and three of the five officers assigned to Addicott from "developmental complements." Two summer employees have been assigned to the staff. It has been established that each division and staff may have as many as three concurrent contracts for history writing. Listings of current and cumulative production are attached.
