MEMORANDUM FOR: Special Assistant to the President
for National Security Affairs

SUBJECT: Measures for Strengthening the Counter-
intelligence Posture of the United States

Attached are comments on certain recommendations of the President's Foreign Intelligence Advisory Board, dated November 22, 1963, and forwarded with your memorandum of February 8, 1964.

In accordance with Mr. McCone's telephone conversation with you, I have responded to Recommendations 4, 6, 8, 9, 10, 11, 12, 13 and 21 in my capacity as Acting Director of Central Intelligence, rather than as Acting Chairman of the United States Intelligence Board.

Comments on Recommendations 14, 15, 16 and 17 represent the joint views of the DCI and of the Department of State. Because of the extreme sensitivity of these subjects, this portion of our response is contained in a specially-classified annex.

With respect to Recommendation 7 (dealing with the use of the polygraph), coordination between officials of CIA and of the Department of Defense is proceeding. A good deal of new ground must be broken in implementing this recommendation, and we are not in a position yet to make definitive comments to you.

MARSHALL S. CARTER
Acting Director of Central Intelligence
