MEMORANDUM FOR: The Review Staff

VIA : Deputy Director for Administration

SUBJECT : Senate Select Committee Request
(ARTICHOKE/BLUEBIRD)

25X1A

1. Reference is made to the verbal request of Mr. Elliot Maxwell, Senate Select Committee Staff, to [redacted] Office of Security, for certain documents in three unnumbered Office of Security files containing ARTICHOKE/BLUEBIRD material.

2. At the present time the documents of interest in the above mentioned three files have the classification of TOP SECRET. The Office of Security originated documents, which were also reviewed by Mr. Maxwell, have been reduced in classification and previously forwarded to the Review Staff. However, most of the TOP SECRET documents of interest were originated by other Agency components, and four are Third Agency documents. To avoid unnecessary recording of the transfer of these TOP SECRET documents, three copies are being furnished directly to the Review Staff, Attention: [redacted] in compliance with applicable control procedures for TOP SECRET documents. These documents have not been sanitized and will require coordination with other indicated Agency components or other government agencies.

3. Attached is a copy of the following lists which are keyed to the six folders in which the documents are being furnished to the Review Staff.

- Office of Scientific Intelligence/DDS&T
- Office of Director of Central Intelligence
- Deputy Director for Intelligence
- Office of Medical Services/BDA
- Deputy Director for Operations
- Third Agency Documents
