THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

National Intelligence Officers

8 December 1975

MEMORANDUM FOR: Deputy to the DCI for National Intelligence Officers

VIA: Assistant to the Director
Director of Security
Chief, CCS

SUBJECT: Request for Approval to Participate in Seminars on US-China Relations

1. I have been asked to participate in seminars on US-China relations to be sponsored by the Council on Foreign Relations. The program will consist of four meetings to be held in New York City between January and April 1976. The Chairman of the seminars is James Leonard a former FSO and now with the United Nations Association of the USA. Among the other participants will be Winston Lord of State Policy Planning, Ralph Clough of Brookings, Alexander Eckstein of the University of Michigan and Lucien Pye of MIT. It is a solid group, genuinely concerned with China and, in my view, worthy of joining. I will not present papers nor will I deliver any prepared speeches.

2. I will attend as the NIO for China on the Staff of the DCI.

3. Request approval for travel expenses and TDY in New York for four one day visits there.
