MEMORANDUM FOR: Chief, Administration & Training Staff

SUBJECT : [Redacted] - Financial (Editing and Indexing Publication) 25X1A9A

REFERENCE : Memorandum for Chief, A&TS dated 28 March 1966 from [Redacted] Subject as above 25X1A9A

1. Per your request, I have figured that the total cost for editing and indexing [Redacted]'s book will amount to \$674, based on the information in the referenced memorandum. 25X1A9A

2. As I mentioned to you, my arrangement with OTR/BF is that we will not be asked to transfer any funds to cover the estimated \$324 in overtime costs for [Redacted] editing unless OTR runs short of funds at the end of the year. 25X1A9A

3. A suggested way of handling the reimbursement for [Redacted] indexing job would be for [Redacted] to arrange to have [Redacted] bill him for the work. We can then arrange to have [Redacted] drawn for the amount, thereby eliminating any Agency connection, particularly in the event the publication should be classified. 25X1A9A 25X1A9A
