MEMORANDUM FOR:   
Policy and Plans Group

SUBJECT : Objective B 57104

1. Reference is made to your request concerning Objective B 57104. The activity statements equate to the Operations Support Branch activity listing with the exception of I, B, (a), 34. It is suggested this activity be deleted since the majority of calls are now directed to the Freedom of Information Coordinator.

2. It should be noted that the activity statements have been divided into three major categories--Operations Support Activities, Personnel Security Support Activities, and Miscellaneous Activities--each of which is considered a core support activity of the Office of Security. One evaluation sheet has been completed for each major activity, since the response would be the same for each statement in a major category.
