Acting Director, Program Assessment Office

SUBJECT: Special Project COPE PACE 25X1

25X1 REFERENCE: dtd 24 August 1978, to DCI from
D/DCI/RM, Subject: Special Projects GRAVITY
SCORE and COPE PACE

25X1 1. Action Requested: That you approve the PAO plan for
visiting Special Project COPE PACE (SPCP) and that you sign a memorandum
to the ACSI, USAF, asking that he sponsor the visit.

25X1 2. Background:

a. Special Project COPE PACE (SPCP)--a PACOM CPX--is the
next exercise in which national collection systems will be tasked
to support tactical intelligence needs and then evaluated in a
performance sense.

b. COPE PACE will take place between 23 and 30 October 1978.
Test objectives are summarized in Paragraph 3.c. of the reference.

c. The basic concept for COPE PACE is described in Attach-
ment 2.

25X1 d. Reference indicated that you were planning to send
 to COPE PACE as an observer. 25X1

25X1 3. Discussion:

25X1 a. I would now like to add to our plan
to cover COPE PACE. has been included in the trip
because he will be heavily involved in our study on "Support to
Operating Commanders." 25X1

b. Estimated cost of sending two individuals to the test is
\$5,000.

SUBJECT: Special Project COPE PACE

c. Proposed memorandum at Attachment 1 identifies those test-related activities which the PAO observers plan to visit in both Hawaii and Korea. It also asks that the various commands be prepared to discuss those PACOM programs included in the FY 80 NFIP.

d. Proposed memorandum is required because we need to have someone in DoD sponsor our visit to COPE PACE. Since the Air Force is the executive agent for the test, we are directing our request to Maj. Gen. Brown, the AFACSI. The Air Force Action Officer, Maj. Jerry Reynolds, has been informed of the nature of our request.

4. Recommendations: That you:

a. Approve sending to Hawaii and Korea to cover the COPE PACE test.

b. Sign the proposed memorandum at Attachment 1.

MEMORANDUM FOR: Assistant Chief of Staff for Intelligence, USAF

FROM:

[REDACTED]
Deputy to the DCI for Resource Management

SUBJECT: Special Project COPE PACE Visit

REFERENCE: AFSSO Message, dated 29 June 1978, Subject:
Minutes of Special Project COPE PACE Planning
Conference

1. I have asked [REDACTED] of my Program Assessment Office, to visit Special Project COPE PACE during the period 25 October to 2 November 1978 for the purpose of developing an appreciation of the problems associated with using national intelligence systems to satisfy theater intelligence collection requirements. Since we need someone in DoD to sponsor the proposed visit, I would appreciate it very much if your office could serve as our point of contact with PACOM in this regard. I would also appreciate it if you could sponsor a request for theater clearances for these individuals.

2. Objective of this trip is to visit test-related activities in Hawaii and Korea. The individuals identified above are interested in a wide range of national/tactical interface issues in which the Director of Central Intelligence and I have both a programmatic and budgetary interest.

3. Proposed itinerary would be as follows:

24 October 1978 - Depart Washington, D.C.
25 October 1978 - Arrive Seoul, Korea
30 October 1978 - Depart Seoul, Korea
30 October 1978 - Arrive Honolulu, Hawaii
2 November 1978 - Depart Honolulu, Hawaii

SUBJECT: Special Project COPE, PACE Visit

STAT 4. [redacted] propose to visit the following test-related activities on or about the dates indicated below:

<u>Activity</u>	<u>Dates</u>
USFK	26 October 1978
314th Air Division	27 October 1978
I Corps GP	28 October 1978
PACOM (IPAC)	31 October 1978
PACAF & 548th Technical Group	1 November 1978
PACFLT (FICPAC & FOSIF)	2 November 1978

5. In addition, [redacted] would like to participate in an informal discussion of the PACOM programs included in the FY 80 National Foreign Intelligence Program. These discussions should include at a minimum the following subjects: PACOM plans for the Defense Dissemination Program, PACOM Data Services Center, ADP facility for Korea and reconnaissance facility for Korea. STAT

6. Request that appropriate BOQ reservations be made in Korea to support the above visits. Further request that ground transportation be arranged. Transportation arrangements may include any combination of surface and air transportation. Administrative support for the Hawaiian portion of the trip will be provided for by the CINCPAC Liaison Office in Honolulu. STAT
