MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence
Office of Legislative Counsel

FROM : 25X1
Director, Intelligence Community Staff

SUBJECT : House Appropriations Committee Markup of
FY 1981 Supplemental

1. We have received and distributed to appropriate Community elements the House Appropriations Committee classified report on the Community's FY 1981 Supplemental Request.

2. The report is largely concerned with non-programmatic reporting adjustments; the net effect of which is a reduction requested for the (NFIP). No reductions were made to intelligence related accounts in the DoD budget. 25X1

3. Because there was only a one day interval between House and Senate action, we were asked to meet with Senate Appropriations Committee Staffers, Bonner and Rhodes. They agreed to restore through Senate action the single program cut out by the House:

4. I believe no further action will be required by way of an appeal.
