MEMORANDUM FOR: Director of Central Intelligence
FROM : SA/IA
SUBJECT : NSC Meeting on Caribbean Basin Initiative

1. As you know, we have had a real time the last couple of days getting the tasking straight for this meeting. What I have for you in this package is the following:

- Your two drafts dealing with the Cuban threat and the conflict in El Salvador.
- Talking points from [redacted], talking points from [redacted] and some recent cables on the views and efforts of the insurgents in El Salvador.

2. I am not sure what all this adds up to, particularly at this late time, but I hope that you have enough data to support your participation in the meeting. [redacted] talking points have a lot of facts and figures, and Al's material, though wordy, gives a pretty good wrap-up.

3. Dewey will have the charts and the information on his recent trip and the Cuban MiG 23s in the morning. He and I are planning to meet you at the Old Executive Office Building at 8:30.
