MEMORANDUM FOR THE RECORD

SUBJECT: Prospective SIG Meeting on PRC-Pakistan Nuclear Ties

After the IG Meeting on the IAEA at State yesterday, Deputy Assistant Secretary (OES) James Devine informed me that the NSC has asked for a SIG Meeting next week on the subject. Devine said he was alerted to the request by NSC Staffer Mike Guhin--as of yesterday, no official notification of the meeting had been received. Devine said that one of the issues is whether or not US (Westinghouse) technology can be used in the sale by the UK or France of nuclear power reactors to the PRC. I've informed [redacted] (DDI/OEA) of the prospective meeting and he said he would have a draft available today of an IA that his branch [redacted] has prepared on the subject.
