MEMORANDUM FOR: The Honorable William J. Casey
Chairman, Senior Interagency Group-Intelligence

FROM: The Honorable William H. Webster
Chairman, Interagency Group/Counterintelligence

SUBJECT: Limiting the Presence and Travel of Hostile Foreign
Officials and Non-Officials in the U.S.

25X1

1. Forwarded herewith are the results of an Interagency Group/Counter-intelligence (IG/CI) study of issues relating to a lessening of the foreign intelligence threat to the United States through reduction of the presence and restrictions on the travel of hostile foreign nationals in this country.

25X1

2. IG/CI consideration of the four proposals concerning limitations on the Soviet presence, on which no agreement could be reached, was completed prior to the recent change in Soviet leadership. In this context, the IG/CI takes note of the Secretary of State's desire that no new initiatives with respect to the Soviet presence in the United States be taken until the state of Soviet-American relations is clarified.

25X1

3. The IG/CI understands, therefore, that while analysis and planning to implement the four proposals affecting the Soviet presence will continue, implementation will await policy guidance from the SIG-I.
