9 July 1982

NOTE FOR: C/Latin America Division/DDO

FROM: DCI

See if you can add some ground feeling
and currency into this draft intelligence
briefing.

William J. Casey

Directorate of Intelligence
Office of African and Latin American Analysis

DDI- 5653-82

9 July 1982

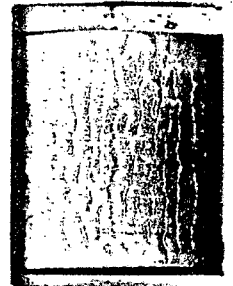

NOTE FOR: Director of Central Intelligence

This package of materials is for your NSPG meeting next week. It includes: 1) talking points updating the situations in each Central American country, 2) the Key Judgments from the recent SNIE on Central America, to refresh your memory, and 3) the country annexes from the SNIE, also worth rereading.

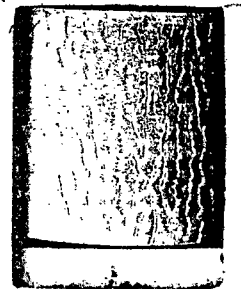

Director
