MEMORANDUM FOR: [redacted] 25X1  
 Special Assistant to the DDI

FROM : [redacted] 25X1  
 Special Assistant to the Director for Interdepartmental  
 Affairs

SUBJECT : DCI Breakfast with the Secretary of Defense

1. One of the items raised by Defense for Friday's breakfast meeting between the Director and the Secretary of Defense involves the reported upcoming Warsaw Pact exercise in Poland. This has been reported in the last day or so in our current publications, and DIA is going to prepare a background memorandum for Secretary Weinberger.

2. I request, therefore, that DDI prepare some talking points for the DCI on the Polish situation. I believe it would be useful if the talking points covered two basic areas of concern: (1) the seeming deterioration of the Polish situation and the prospect for increased tension and conflict; (2) what we know about the planned Warsaw Pact exercise and its implications for Poland, the Polish internal situation, and Warsaw Pact Forces in general.

3. This does not need to be very long, but because the Director has been out for a couple days it will be useful both to sum it up for him and to give him material for a discussion with Secretary Weinberger. Please have the talking points to me by noon tomorrow, 18 February.
