(4) As I suggested in my note last night, I believe Weinberger and Carlucci would appreciate a debrief from the DDCI on the HPSCI Hearing on the NFIP. I have asked [] to provide the DDCI today any material from that hearing that would be useful for such a discussion. I believe that what would be most interesting would be any of the byplay and reactions from the Committee Members. I heard from one of Stilwell's people yesterday that it is a perception in OSD that it was a pretty rough session.

(5) You may wish to mention to Weinberger and Carlucci where we stand on accommodating Defense's concerns on the Executive Order on classification. [] sent you a memorandum proposing compromise language and a proposed memorandum from the DCI to Carlucci informing him of this. I do not know what your reaction is to [] proposal, but it probably would be productive to bounce the idea off of Weinberger and Carlucci.
