MEMORANDUM FOR: Acting Director of Central Intelligence

FROM : Richard J. Kerr
Acting Deputy Director for Intelligence

SUBJECT : Study of the Use and Effect of Economic
Sanctions Requested by Judge Clark

25X1

1. Action Requested: Your signature on a reply to a memorandum from Judge Clark requesting the Agency to undertake a historical and conceptual study of the use of economic sanctions and their effect in a variety of political settings.

25X1

2. Background: On 7 August Judge Clark requested that the Agency undertake a broad based study of the use of economic sanctions and their effect in a variety of political settings. I have assigned to the Office of Global Issues responsibility for undertaking this study. I expect the study to be completed in early November. Case studies, crucial to the heart of the analysis, will be undertaken by various DDI regional offices. OGI analysts, in addition to putting the final paper together, will complement these studies by a series of interviews with government and ex-government officials involved in past sanctions and individuals who have analyzed and written on this topic. OGI discussions with Norm Bailey, Senior Director, National Security Planning, NSC, indicate a decided preference for an in-depth analysis over a quick response. Dr. Bailey had no problem with the early November delivery date cited in your letter to Judge Clark.

NOTE FOR: ~~EO/OGI~~ ?

Dick would like OGI to take the lead on the attached request from Judge Clark. You will want to draw on the regional offices for much of the meat of the paper. The NIO/Economics has asked to be included, particularly in the formulation of the game plan to tackle the request. Please prepare an acknowledgement, for the Acting DCI's signature, to Judge Clark, letting him know what we plan to do and the time frame in which we plan to do it. That acknowledgement, along with a covering memo to the A/DCI from the A/DDI explaining what the request is all about, should be to me NLT cob 12 August 1982. Thanks.
