MEMORANDUM FOR: Deputy Director of Central Intelligence  
Chairman, National Intelligence Council  
Deputy Director for Intelligence

FROM:   
National Intelligence Officer for Economics

SUBJECT: Papers on the Pipeline Issue and East-West  
Economic Relations

25X1

I spoke with the DCI this morning (8 September) to get his guidance on the three projects which are being prepared on various aspects of the pipeline issue and East-West economic relations. He agreed to the following:

- (1) There will be a special NFIB session to consider the SNIE on the Soviet Gas Pipeline in Perspective on 21 September. This means getting a first rough draft for internal review by c.o.b. the 10th, fixing it up over the weekend, sending it to the reps on Monday, the 13th, and having the rep session on the 15th. The Terms of Reference will go out today.
- (2) The SOVA paper on Implications for the Soviet Economy of Embargo on Oil and Gas Equipment and Technology should be published separately.
- (3) I am revising my policy support piece, The Basis of a Common Allied Policy on Economic Relations with the USSR, to resubmit to the DCI so that he could send it to selected officials later this week.
