THE SECRETARY OF STATE  
WASHINGTON

October 18, 1982

Dear Bill:

I would like to thank you for the excellent report that the Agency prepared for me on the issues of the oil and gas outlook over the next several years, the possible impact of a cutoff in Middle East oil supplies, and the potential role of U.S. firms in helping to increase Third World energy supplies. My staff and I particularly value the Agency's judgment and balanced analysis on these and related energy topics. We have worked closely on these issues in the past and look forward to continuing this cooperation.

Sincerely yours,

George P. Shultz

The Honorable  
William J. Casey,  
Director of Central Intelligence.
