Dear Mr. Casey:

I invite you to meet with me and senior executives of leading U.S. companies in the robotics field on Tuesday, January 4, 1983. The meeting will run from 10:00 a.m. to 12:15 p.m., followed by a luncheon from 12:30 to 1:30 p.m. This meeting is the first of a series we plan to hold with senior executives of U.S. high technology industries over the next months.

The Cabinet Council on Commerce and Trade (CCCT) is reviewing the competitiveness of key U.S. high technology industries with the aim of assessing what the appropriate U.S. Government response should be to their problems. At the meeting, we wish to exchange views in the marketplace, its future prospects as you see them, and your views as to what the appropriate role of the U.S. Government should be in response to the industry's problems.

Your staff should contact Dr. Brenda Forman, ITA/Industry Projects, Room 2001B, telephone (202) 377-5852, to discuss these questions as well as further arrangements for the meeting. A detailed agenda will be forwarded.

I hope you can attend.

Sincerely,

Malcolm Baldrige
Secretary of Commerce
