Executive Director

NOTE FOR: DDCI

For your background.

- Page 6, Section e. COMPENSATION represents a compromise on my part to repeated requests from the General Counsel for a lessening of restrictions on pre-paid invitations from private legal, accounting or other groups.
- The Deputies did not support the GC request to change the regulation. They agreed with my position that such requests, beneficial to the Agency, would be very few and could be handled on an ad hoc approval basis as an exception.
- My compromise relates to allowing tax exempt organizational pre-payment, thus minimizing/eliminating perception of conflict.
