

Central Intelligence Agency
Washington, D.C. 20505

22 September 1982

Executive Director

NOTE FOR ACTING DCI

- Suggest that you, as Acting DCI, can delegate authority, thus you can sign this and not drive the DCI up the wall with its turgid prose.
- That prose, while clumsy, is taken directly from the CIA Act of 1949. The audience for intpretation of the regulation will be small.
- Thus, I suggest you sign.
