MEMORANDUM FOR: Director of Central Intelligence
FROM: Stanley Sporkin
General Counsel
SUBJECT: Reporting of Crimes to the Department of Justice

1. Attorney General Smith has signed the procedures, which you had approved and forwarded to him on 15 December 1981, on Reporting and Use of Information Concerning Federal Crimes. The Attorney General's transmittal letter to you is attached at Tab A. The procedures are at Tab B.

2. The Attorney General makes reference to the reporting of narcotics violations by non-employees. Staffers at the Department of Justice raised this issue with my Office, proposing that these violations be added to the list of reportable non-employee crimes in Section IV of the procedures. OGC opposed this addition, arguing that the current procedures utilized to handle this sensitive area were adequate. The Attorney General concurred, and no formal requirement regarding the reporting of narcotics violations is included in the crimes reporting procedures.

3. Your signature is needed on the procedures, as well as on the transmittal letter to the Attorney General, attached at Tab C.
