MEMORANDUM FOR: Director of Central Intelligence
THROUGH: *DDCI.*
FROM : Robert M. Gates
Deputy Director for Intelligence
SUBJECT : Reply to Letter from Eugene Rostow, ACDA

Attached for your signature is the draft of our response to Eugene Rostow's letter of 24 February concerning rotational assignments at ACDA. The response is positive and encouraging and gives Mr. Rostow an understanding of our plans for these tours. Moreover, the response offers Mr. Rostow the prospect of receiving DDI officers on a non-reimbursable basis for the first year, but does not foreclose our option to convert these to a reimbursable basis later on.
