Washington, D. C. 20418

Dear Dr. Press:

Thank you for your letter of 4 January 1982 on our paper on the International Institute for Applied Systems Analysis (IIASA). It is my understanding that our analysts, in preparing the report, did consult directly with people knowledgeable about IIASA's current activities and received other relevant information. However, to be responsive to your wishes, I have requested [redacted] author of the report, to contact anyone you designate for additional discussions of IIASA and related issues which you feel should be considered. [redacted]
