 Mr. William D. Howells, INR

SUBJECT : ACDA Request on Verification Personnel

1. This memorandum requests your assistance.
2. Attached for your information and use is a copy of a memorandum to the Director of Central Intelligence from the Director of the Arms Control and Disarmament Agency. That memorandum asks for the number of professional personnel assigned to arms control verification on a full-time basis. I am told that ACDA wants the DCI's response to be for the Intelligence Community, not just for CIA.
3. I propose that our Working Group jointly create the answer to ACDA's request. I would like to discuss ACDA's request, and specifically the mechanical details of the Working Group creating a response, and when, in our meeting on Monday, 6 December 1982, when we discuss the Working Group.
4. In the meantime, if you have any questions or major reactions to this issue, please call and let me know.
