Dear Barry:

I was worried to hear of your heart surgery. Just now, I'm relieved to hear that it was a resounding success. All your friends here join me in wishing speedy recovery and early return.

Warm Regards,

Bill Casey

CENTRAL INTELLIGENCE AGENCY

Acting Director,
Office of External Affairs

4 November 1982

NOTE FOR: Director of Central Intelligence

Mr. Casey,

[redacted] has been in touch with the doctors at the hospital and Senator Goldwater is already out of intensive care. His condition is stable, there were no post operative problems, no heart muscle damage, and the prognosis is excellent.

[redacted]

Proposed telegram is attached -
