and Monetary Affairs
Committee on Government Operations
House of Representatives
Washington, D.C. 20515

Dear Ben:

As we discussed on the telephone this morning, enclosed for your Subcommittee's public use are the sanitized and declassified versions of the seventeen documents you requested. Again, I regret the inconvenience to your Subcommittee caused by delays in the declassification review process.

I am sure we can continue the cooperative relationship between the Agency and the Subcommittee that we have enjoyed since 1979, when you began your investigation of OPEC investment. Please let me know if we can be of further assistance.

Sincerely,

Bill

Ben - Sorry this is not
 presented in a ^{more} tidy way - but
 this is how it came to me when
 I hollered about the delay -
 I didn't want to lose any more time
 You appreciate that the deletions are
 to protect sources & methods
