Hon. William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear Director Casey:

In compliance with a July 1979 "Memorandum of Understanding" relating to the subcommittee's use of CIA OPEC investment documents, I sent you on September 8, 1981, the enclosed letter. That letter formally notified you that the subcommittee was in the process of completing its investigation on the Federal response to OPEC country investments and that it intended to utilize or otherwise make public certain specified CIA documents.

Thereafter, on the ninth day of the agreement's ten-day response period, CIA staff contacted subcommittee staff informally requesting an additional several weeks. We agreed to the CIA's request. Thereafter, on several occasions subcommittee staff indicated that CIA's nonresponse to our formal notification was delaying publication of the September 1981 hearing record.

This informal agreement to give the CIA several additional weeks (dating from September 17, 1981,) to respond in writing to my letter has lapsed. Therefore, pursuant to the July 1979 agreement, please be advised that we will send the documents involved to the Government Printing Office by January 18, 1982, for inclusion in the subcommittee's hearing transcript.

Sincerely,

Benjamin S. Rosenthal
Chairman
