JASONS, Friends, and Guests:

I am enclosing a preliminary agenda for the JASON Fall Meeting, 3-4 December. Since it is traditional with all JASON gatherings that there exists a high probability that the agenda will change, I will send you another agenda November 23rd. If there is a specific discussion in which you would like to participate, please call me a day or two before the meeting to ensure that there has not been any unanticipated rearrangements of the agenda.
