Dear Bill:

This is just a note to say again that it was a privilege and a pleasure to visit with you last Thursday afternoon.

Subsequently, I met with a group of our people to discuss the same general subjects --- and I'm happy to say they are very well-informed and very thoughtful and farsighted in the analyses they are making.

Since it relates substantially to some of our discussion, I am attaching a copy of my presentation to the Harry J. Sievers Memorial Lecture Series at Fordham University on October 14 --- and I hope you find it of some interest and value.

If I --- or Westinghouse --- can ever be of particular help, just let me know.

We wish you all possible success-and-satisfaction with your challenging and crucial activities.

Most sincerely,

Tom

THANK YOU --- AND GOOD EVENING, LADIES AND  
GENTLEMEN!

IT IS A PLEASURE AND A PRIVILEGE FOR ME TO  
PARTICIPATE IN THIS SIEVERS MEMORIAL LECTURE  
SERIES.

AS WE ENTER THE DECADE OF THE '80s, AN INCREASING  
NUMBER OF DISCERNING AMERICANS GROW MORE  
CONCERNED ABOUT OUR PROSPECTS --- AS A NATION ---  
OF BEING ABLE TO COME TO GRIPS WITH THE ECONOMIC  
AND INDUSTRIAL CHALLENGES THAT WE ARE FACING.
