The Honorable
 William J. Casey
 Director
 Central Intelligence Agency
 Washington, DC 20505

Dear Mr. Casey:

Gene Bradley asked that we advise you immediately of the implementation of a tightened security system at Fort McNair, which will require all IMDI Associates and guests attending the April 6 Washington Briefing Session to show the enclosed security pass to gain access to the National Defense University. We recommend that you arrive a few minutes earlier than you had originally planned in order to accommodate for any delay in the security procedure.

For your convenience, parking is available both in front of and next to Theodore Roosevelt Hall (see enclosed map). If you need extra security passes (two are enclosed) for guests or members of your staff who may be accompanying you, please let us know. My associate, Suzanne Stratford, will be in contact with your office early next week concerning last minute details of your participation. We greatly look forward to seeing you on April 6.

With best wishes.

Sincerely,

James R. Golden
 Senior Vice President
