The Honorable William J. Casey Director Central Intelligence Agency Washington, D. C. 20505

Dear Mr. Casey:

I am writing to invite you to nominate senior officials in your agency to participate in the educational programs of The Brookings Institution, 1982-1983. A brochure describing these programs is enclosed. The programs are based on Brookings' experience in leadership education developed in the past twenty-three years. They are specifically designed to meet the educational need of members of the Senior Executive Service and of individuals holding positions of similar rank. Several of the programs also meet the educational requirements of members of SES candidate development programs.

Our brochure supplies information about specific programs, including dates, locations, and fees. Nominations can be made throughout the program year.

I look forward to the participation of your senior executives in these programs.

Sincerely yours,

Bruce K. MacLaury

President
