You are cordially invited to a  
Manhattan Institute Policy Forum entitled:

MAR 2 1 18 PM '82

MARKETING THE ENVIRONMENT: THE ECOLOGICAL  
AND ECONOMIC CASE FOR PRIVATE OWNERSHIP  
OF FEDERAL LANDS

Panelists:

John A. Baden, Director of the Center for Political Economy  
and Natural Resources at Montana State University

Steven Hanke, Senior Economist for the President's Council  
on Economic Advisors

Paul Craig Roberts, William E. Simon Professor of Political  
Economy at Georgetown University

William Tucker, Author of Progress and Privilege: America  
in the Age of Environmentalism

Moderator:

Richard Stroup, Director of the Office of Policy Analysis,  
Department of the Interior

Our panel will examine how federal lands policy has damaged the  
environment and contributed to the current budget crisis. New  
policies that encourage individual responsibility for the conser-  
vation and efficient use of public lands will be discussed.
