MEMORANDUM FOR: Director, Office of External Affairs  
FROM: Director of Central Intelligence  
SUBJECT: Worldwide Intelligence Briefing

1. I called Dickinson. He was entirely amenable to my not providing a sanitized statement. His point is that he would like to have us put more out so he'd have material to talk to the people about.

2. Please put together a package of sanitized material which we have already put out, i.e. terrorism, active measures, Cuban activity in Latin America, all the stuff we provided to the State Department and they put out. Send that to him with a nice letter.

3. I am not inclined to stir the issue up with  unless you feel it necessary. I will wait for your advice on that.
