THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

DDI 7365-82

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: [Redacted], AC/NIC

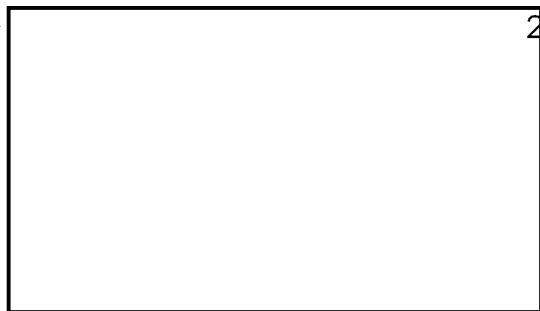

25X1

SUBJECT: Warning Methodologies

While considering various warning methodologies, I ran across this production done very early in the Lebanese crisis. As noted on it, the prognosis has proven remarkably accurate over time. Although inherently risky, perhaps we should consider more productions of this type early on in an evolving crisis.
