

THE WHITE HOUSE
WASHINGTON

December 20, 1982

The Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Bill:

For the past year or so I have been working on a television series, "Above and Beyond the Call of Duty."

It is something that is very close to the President's heart, (note enclosed.) Unfortunately, it is on hold right now.

In any event, the producer working on the project, A.C. Lyles is one of the President's oldest friends. He is a dedicated patriot and has been most helpful to the First Family.

Recently he contacted me about a positive motion picture on the CIA to be produced by MGM.

Without qualification, I recommend Mr. Lyles and I suggest a key member of your staff explore possibilities on such a project. Mr. Lyles address and number are:

Mr. A.C. Lyles

Best regards Bill.

Sincerely,
