SUBJECT : Commendation: El Salvador SNIE

1. I want to express my thanks and congratulations for the excellent draft you turned out--literally over a weekend--on SNIE 83.1-82, The Election Outlook in El Salvador.

2. To have produced such a thoughtful and articulate estimate on a complex question in so short a time is a tribute to your skill and a model for the kind of professionalism we wish the members of our Analytic Group to have. I wish to commend you, as well, for the leadership you showed in helping get this estimate coordinated so speedily and easily.

3. I am placing a copy of this commendation in your official file.
