SUBJECT: Letter of Commendation for the Authors of
National Strategies and the Global Economy (U)
(NI 82-10001, 26 March 1982)

Henry Rowen, Chairman
National Intelligence Council
CIA Headquarters - Room 7E62
Washington, D.C. 20505

Dear Harry:

I wanted to take just a minute to commend the Agency for the superb work it did in putting out National Strategies and the Global Economy (U). All those who worked on this project are to be commended.

I was so impressed with this study that I have urged everyone on the S/P staff to read it. The challenges and problems identified in this study, I believe, will tax the ingenuity and innovativeness of all USG policymakers.

With appreciation for the fine work, I remain

Sincerely yours,

R. David Luft
