The Assistant Director, ORE

24 July 1950

Chief, Global Survey Division

Responsibility for the Monthly CIA "Review of the World
Situation...."

1. All members of the Global Survey Division present for duty are now detailed to the Special Staff, except the Chief, whom the Director has detailed full-time to the NSC Staff. Consequently the Global Survey Division has ceased to function as a producing unit, although its members are making their full contribution elsewhere.

2. In these circumstances, I recommend that the responsibility for producing the monthly CIA "Review of the World Situation..." be transferred from the Global Survey Division to the Special Staff for the duration of the present arrangements.
