Memorandum from Raymond J. Sontag, Acting AD/ONE Subject: Intra CIA Coordination of Intelligence Memoranda Prepared for the White House and NSC; 2 pp.				

ABSTRACT

This memo recommends that all intelligence memoranda (IM) destined for the White House or the NSC other than regularly published periodicals should be made up in triplicate for OCI, ONE, and the DDI and should be reviewed by the Board of National Estimates so that a regular procedure can be used in Intelligence Memoranda production.
