MEMORANDUM FOR: CIA Career Council

SUBJECT: Nomination of [REDACTED] for the National Capital Award

1. The Agency has been invited to nominate a staff member as a candidate for the National Capital Award sponsored by the D. C. Council of Engineering and Architectural Societies and the Washington Academy of Sciences. Awards will be given to three individuals in the Metropolitan Washington area in recognition of notable achievements in the fields of architecture, engineering, and applied sciences and will be presented to the selected candidates 25 February 1960 as a part of nationwide observance of Engineers Week.

STATINTL

2. The Deputy Directors were notified of the opportunity of nominating candidates for this award. The Deputy Directors (Intelligence) and (Plans) did not submit nominations. The Deputy Director (Support) has identified [REDACTED] a contract employee in the Office of Logistics, as a qualified candidate. The specific achievement which is the basis for the proposed nomination of [REDACTED] is described in the attached memorandum from the Acting Director of Logistics.

STATINTL

3. The nomination of [REDACTED] is submitted to the members of the Career Council for review and action. If you concur in recommending that the Director nominate [REDACTED] as the Agency candidate for this award, please indicate on the attached concurrence sheet.
